

TRUMAN'S PLAN IS OPPOSED

PA NEW OBSERVES

N. O. Olson of Leasure avenue reports to The News that Samuel Audio of Croton avenue, who is shovel operator at the Ren Coal company, shot a seven-point buck weighing 180 pounds on the top of the Coaltown hill Tuesday. Wayne Chaffee of R. D. 5 located the deer, while Mr. Audio and Mr. Olson rounded him up.

A lady motorist whose horn had stuck, causing quite a racket on New street, Monday afternoon, calmly parked her car in the middle of the thoroughfare, left the car and lifted the hood, pulling loose the shorted wires that were the cause of the trouble. Quite a traffic snarl developed much to the consternation of motorists who wanted to get by the stalled car.

George Pinner, aged 14, of the Edinburg district, reported to Pa. News this morning that Monday afternoon, following school, he went out to look at his traps, taking his high powered rifle with him. Directly behind his barn, he discovered a seven-point buck, which he brought down with little effort. The buck weighed 150 pounds.

Dr. B. M. Rogers, of Carlisle street, was among the fortunate deer hunters who went to the big game country, who brought back a nice buck. Dr. Rogers shot a 9-point buck weighing 145 pounds in the Medix Run district on Monday.

Looking ahead in 1946, Pa. News discovers that there will be six eclipses during the year, four of the Sun and two of the Moon. There will be partial eclipses of the Sun on January 3, May 30 and November 23, while there will be a total eclipse of the Moon on June 14 and another one on December 8, 1946.

Lifting of rationing on foodstuffs will permit some of the holiday dinner events to be resumed in this community this year. During the war it was necessary to abandon plans for holiday public fetes.

Paul Elder retired from Spring Run last night with 10-point buck stretched across the hood of his auto. Ron Lamoree and Adolf Lang who have been hunting together were also successful in each getting a buck.

One of the many honor rolls around the city is rather unique, the one located at the corner of Grant and Sampson streets. Pictures of many of the veterans are included as well as their names.

Indications are that the plan of erecting community trees in various sections of the city is to be revived during the coming holiday season.

With the long pending widening of the State street hill entirely completed during the past summer, the bottleneck to traffic has been eliminated and the number of traffic mishaps on that hill should be much smaller during the winter. The hill is now traversed by a four lane highway and there should be little congestion despite winter conditions.

Woodman spare that Christmas tree! State Secretary of Forests and Waters James A. Kell pointed out today that unauthorized cutting of Christmas trees from state forests or private woodlands would be prosecuted.

The State Health department today was preparing to stage a fight against a possible serious outbreak of grippe this winter. Secretary Harry W. Weest said he had directed county medical directors to notify the department of "any signs of the spread of the infection." He warned residents to guard against infection "by avoiding undue exposure and fatigue."

A snowy owl with a wing-spread of five feet was shot by James Heasley near his home in the North Liberty district. Heasley flushed the owl while hunting as the bird was eating a rabbit. A Jackson Center taxidermist told Heasley that his was the fifth snowy owl he had stuffed this year, the first season in many years this species has been found in this neighborhood. The snowy owl is an Arctic bird, seldom found so far south.

With the death of a third deer hunter, the state's hunting fatalities climbed today to 31 since January 1. The deaths were eight more than for the entire year of 1944.

Reveal Delay In Warning Being Given To Hawaii

Secret Jap Message Intercepted Nine Hours Before Being Sent To Hawaii

U. S. CANADA HAD WAR PLANS IN 1941

WASHINGTON, Dec. 5.—(INS)—The Pearl Harbor committee learned today that the Japanese secret message breaking off relations with the United States on Dec. 7, 1941, was intercepted in Washington nine hours before a warning was sent to Hawaii.

That disclosure came in a deluge of documentary evidence which included a memorandum revealing that the late President Roosevelt approved a U. S.-Canadian war plan as early as Aug. 29, 1941.

This was almost four months before the Jap sneak attack carried the United States into war against the Axis.

The "fourteenth part" of Tokyo's reply breaking off peace negotiations was intercepted by the United States Navy at 3:05-3:10 a. m. Washington time on Dec. 7, the committee was informed.

Message Intercepted
And at 4:37 a. m. the Navy intercepted the crucial Jap message fixing 1:00 p. m.—dawn in Pearl Harbor—as the hour for presenting the fatal reply to Secretary of State Hull.

The document did not show at what time either message was actually decoded and transmitted to Navy headquarters, the state department or the White House.

The disclosure was made before the Pearl Harbor investigating committee through a memorandum to Gen. George C. Marshall, then (Continued on Page Two)

Defense Claims Case Is Frameup

Jury Soon To Get Case Of Man Accused Of Plotting Wife's Death

BELVIDERE, N. J., Dec. 5.—(INS)—The case of wealthy John-Johnson Farmer-Banker James C. Gibbs, charged with "advocating" the murder of his wife, will be given to a 12-man jury today in Belvidere Quarter Sessions Court.

The defense closed its case after James Carl Gibbs, 31-year-old son of the defendant, took the stand. The young Gibbs testified that his mother and Frank Whitman, a Negro, alleged to have been hired by the defendant to kill Mrs. Mae R. Gibbs, had "framed the case."

In direct examination, the younger Gibbs accused his 58-year-old mother of scheming for two years "to get dad in a spot." He also testified that Whitman, on the night of Gibbs' arrest told him, "I've been planning two years to get your old man."

Through With Mother
Young Gibbs said he was through with his mother "for life" because she refused to forgive his father. He testified his mother wanted \$700 a month, the home at Johnsonburg and two farms owned by the defendant.

The prosecution contends that on August 28 the elder Gibbs asked Whitman to "get rid of" Mrs. Gibbs. Whitman contacted State Police Albert E. Green who posed as a professional killer brought in "to do the job."

Gibbs was arrested on September 4, the night his wife allegedly was to have been choked to death. The defendant is charged with giving Whitman a down payment of \$100 and purportedly paid the final \$400 to Trooper Green.

Will Withdraw Yanks From Iran

WASHINGTON, Dec. 5.—(INS)—The United States was determined today to withdraw its forces from Iran even if Great Britain, like the Soviet Union, decides to maintain its occupation forces until the agreed upon date of March 2, 1946.

Start Inquiry Into Hurley's Resignation

(BULLETIN)
WASHINGTON, Dec. 5.—(INS)—Maj. Gen. Patrick J. Hurley charged today that members of the American embassy staff in China wanted to arm Chinese Communists with U. S. lend-lease weapons to destroy Chiang Kai-Shek's nationalist government.

Hurley made his allegations in a loud voice in testifying at the Senate foreign relations committee's inquiry into American foreign policy as a result of his resignation.

Washington, Dec. 5.—Maj. Gen. Patrick J. Hurley declared today that if Secretary of State Byrnes

had announced the official United States foreign policy to be for "unity" in China, "I would not have resigned" as Chinese ambassador.

Hurley declared further that if that policy had been enunciated publicly while he was still in the Far East, "I would not have returned from China."

Inquiry Starts
Hurley made his statement at a Senate foreign relations committee inquiry into the reasons behind his sudden, explosive resignation as ambassador to China and the blast of criticism he leveled at minor officials in the State Department.

Manufacturers Receive Message From President

NEW YORK, Dec. 5.—(INS)—American manufacturers were urged by President Truman today to approach the problems of reconversion with determination, tolerance and "ability to see the other fellow's viewpoint."

In a message to Ira Mosher, president of the National Association of Manufacturers, and read this morning at the opening of the 50th annual meeting of NAMS congress of American industry, President Truman said:

"This nation is now engaged in the effort to return to peaceful, stable and prosperous ways of life."

"The manufacturers are engaged in the process of converting to the manufacture of automobiles, radios, refrigerators and the thousands of other articles which are necessary to our economy."

"It was inevitable that troubles would develop during this process. This was due to many factors, some (Continued on Page Two)

Bond Sales Near Seven Billion

WASHINGTON, Dec. 5.—(INS)—National sales in the Victory loan today rose to six billion 789 million dollars as the treasury announced initial bond purchases by corporations.

Ted R. Gamble, national director of the treasury's finance division, disclosed that first day sales of Victory bonds to corporations totaled two billion 843 million dollars.

U. S. Minister To Hungary Named

WASHINGTON, Dec. 5.—(INS)—President Truman today named a minister to Hungary, the first United States representative to that country since it fell under the shadow of Nazi Germany.

The president nominated F. H. Arthur Schoenfeld for the post at Budapest.

President Not Going To London

(BULLETIN)
WASHINGTON, Dec. 5.—(INS)—The White House said today that reports published in the British press that President Truman would visit Britain during the next conference of foreign ministers has no basis in fact.

Home Folks Must See Job Through

WASHINGTON, Dec. 5.—(INS)—W. W. Clement, president, the Pennsylvania Railroad Co., said today that those at home must now "see the job through" by purchase of Victory Bonds. He said:

"Victory's costs are not all paid when victory itself has been won. It imposes on all of us a share in the responsibilities which face the government in winding up the affairs of war. Those who gave their lives, who suffered wounds, who came back crippled, and those who also took these risks, in order to achieve the victory—and our children following after us—have a right to expect that we who are here today shall continue to shoulder the burden."

"We will have to see the job through—through generous subscriptions to the Victory loan."

Hear How Hitler Forced Czechs To Sign Ultimatum

Allied War Crimes Tribunal Gets Report Of International Banditry Of Nazis

NAZI DEFENDANTS APPEAR TROUBLED

By PIERRE J. HUSS
(U. S. Staff Correspondent)

NUERNBERG, Dec. 5.—The Allied war crimes tribunal heard today how Czechoslovakian officials were summoned to Berlin and forced by a ranting Fuehrer to sign an ultimatum wiping out the Czech state and creating a vassal republic of Slovakia.

U. S. Assistant Prosecutor Sidney Alderman drew a tragic picture of Czech President Emil Hacha and Foreign Minister Frantisek Chvalkovsky protesting tearfully to pitiless Nazi gangsters who literally pushed them around the room.

The sensational disclosure of the German system of international banditry was read by Alderman from a 1939 report to Paris from the French Ambassador to Berlin. The revelations visibly troubled the 20 Nazi defendants on trial for their lives.

Confronted By Hitler
The unhappy Czechs were confronted by a coldly angry Hitler who after briefly summarizing the case against them, demanded that they sign an ultimatum wiping out the Czech state and creating a vassal republic of Slovakia.

Nanking Again Chinese Capital

CHUNGKING, Dec. 5.—(INS)—Transfer of the Chinese Central government to its former capital of Nanking began today as Generalissimo Chiang Kai-shek's troops prepared for the airborne occupation of the Manchurian cities of Changchun and Mukden.

An official spokesman said Chiang Kai-shek's troops were reported leaving Nationalist advances into the Manchurian province of Jehol.

Oppose Proposal On Compulsory Health Insurance

Governing Body Of American Medical Association Opposes President's Proposal

CHICAGO, Dec. 5.—(INS)—President Truman's proposal for compulsory health insurance was branded today by the governing body of the American Medical association as "the first step in general socialization."

The AMA's house of delegates said the socialization would extend "not only to the medical profession, but to all professions, business and labor."

Voluntary prepayment medical plans, the group said, would achieve all the objects of the Wagner-Murray-Dingell bill "with far less expense to the people."

Prepayment Service
These prepayment plans, now in operation in many parts of the country, give the people "the highest type of care without regimentation," it was contended.

The group charged the "proof exists from experience in other countries that inferior medical service results from compulsory health insurance."

The AMA contends such a program, as advocated by the President, would result in prohibitive taxes. Furthermore, it would make doctors "clock watchers and slaves of a system."

Two features of the president's proposal met with approval. They were federal aid for the construction of hospitals and health centers, and development of a national research foundation, to be headed by a committee.

SICKNESS FLURRY IS NOT TRUE FLU

HARRISBURG, Dec. 5.—Grip or colds have kept many Pennsylvanians an unestimated number—from work, schools and churches in the past week or so, but the state health department said today the "fury of sickness is nothing like true influenza."

Tag Day, December 15 To Raise Funds For Mission Christmas Party

About this time of the month of December, the women folks are thinking of the Christmas dinner menu and the whole family is hiding packages in the clothes closets and under the basement stairs. Christmas is just around the corner and the corner isn't so far away.

But that doesn't include everybody in New Castle. Some there are whose Christmas dinner will be just another meal, who aren't storing presents because there won't be any. For them Christmas will be just December 25.

Realizing that there are folks who will not have much of a Christmas, Rev. D. R. Wert, superintendent of the City Rescue Mission, felt it was up to somebody to provide the Christmas spirit for those who otherwise will not have any, and today he announced that the Mission will have Christmas for those who might otherwise not have any.

Plan Christmas Dinner
Rev. Wert plans a Christmas dinner and a Christmas party for the needy. A real Christmas dinner such as you will have at home and a party which will include gifts for the kids. The whole thing will take a little money of course, and here's a little of getting the money.

On Saturday, December 15 the City Rescue Mission, felt it was up to somebody to provide the Christmas spirit for those who otherwise will not have any, and today he announced that the Mission will have Christmas for those who might otherwise not have any.

More Transports Transferred To Pacific Service

WASHINGTON, Dec. 5.—(INS)—Thirty-two American troop transports with accommodations for 83,000 men were earmarked today for transfer from the Atlantic to the Pacific.

This sizable fleet, which includes the West Point, formerly the America, largest U. S. passenger liner, will move through the Panama Canal by the end of December en route to Japan and the Philippines.

Disclosure of the large-scale transfer operation came as the War department reiterated its warning that the rail transportation situation on the West Coast is rapidly reaching an extremely serious state.

All available air and rail equipment is being rushed into service to meet what the Office of Defense Transportation estimates will be an all-time peak in troop arrivals during December.

According to ODT, some 528,000 Army and Navy veterans are scheduled to reach West Coast ports this month, while an additional 900,000 will arrive from Europe.

An ODT spokesman reported a temporary improvement in the deployment situation on the Pacific Coast. A backlog of 50,000 veterans awaiting transportation home last week has been cut to 20,000.

Murray Rebukes Truman Policy

PITTSBURGH, Dec. 5.—(INS)—The Truman labor plan today carried a stinging rebuke from CIO President Philip Murray.

Murray, as president of the United Steelworkers, dispatched a telegram to President Truman in which he said the plan would be laid before the union's National War Policy committee and then as president of the CIO, went on the air last night and gave the plan a definite "No."

The radio address marked the first definite break between the CIO and the Truman administration.

Murray said the CIO would "mobilize its entire membership and the American people" to defeat the plan.

President Truman Monday proposed that the General Motors strike be ended and the Steelworkers' pending walkout be postponed while he appointed a fact-finding committee to determine the merits of each \$2 daily wage raise dispute.

Murray charged the Truman administration with continued appeasement of industry in the face of a contemptuous attitude toward the government and the people.

Vargas' Candidate Leads In Election

RIO DE JANEIRO, Dec. 5.—(INS)—Gen. Eurico Gaspar Dutra, social Democrat candidate who has the support of ousted President Getulio Vargas, took an early lead today in Brazil's first free presidential election since 1930.

Incomplete returns of Sunday's balloting showed Dutra was leading most Brazilian states, with a total of 294,322 votes. Gen. Edouardo Gomes, favored to win the four-way contest, was second with 198,417.

Behind Gomes, national Democratic union candidate, came Communist Yeddo Pinza, with 74,293 votes, and Agartan Mario Rollin Telles trailed with 2,931.

TREASON DEATH SENTENCE APPEAL IS TURNED DOWN

THE HAGUE, Dec. 5.—(INS)—An appeal by Max Blokzijl, Dutch "Lord Haw Haw" sentenced to death for treason, was rejected today. No date was set for his execution.

Union Leaders Strongly Against Labor Proposals

Industrialists Likewise Are Not Enthusiased Over Dispute Settlement Plan

FACT FINDING IS MOST UNWELCOME

By International News Service

President Truman's program for settlement of the nation's major labor disputes ran today into nothing but opposition on the part of union leaders and met a chilly reception from the industrialists themselves.

Spokesmen for the 200,000 jobs as the result of the CIO United Automobile Workers against General Motors said they doubted if the men would comply with the president's request to return to work immediately.

Neither side liked the idea of fact-finding boards which Mr. Truman proposes to set up.

Union Opposition Bitter
While GM Vice President Harry W. Anderson said in Detroit he "hoped the strike could be settled without a fact-finding board," the bitterest opposition came from the union side.

CIO President Philip Murray declared in a Pittsburgh radio broadcast that the Truman program "completely ignored human rights" and if carried into effect would "wreak and ultimately destroy labor unions."

John L. Lewis' United Mine Workers issued a statement in Washington denouncing the proposed legislation as a "toiler bill to re-plant and straight-jacket American industrial relations."

Reject Truman Plan
Local 22 of the UAW Cadillac division in Detroit unanimously rejected the Truman peace plan and leaders of four powerful locals in Flint, Mich., predicted 45,000 members would take similar action.

Murray's denunciation of the Truman program made certain that the United Steel Workers, of which Murray also is president, would view it with the same hostility.

The steel workers have voted overwhelmingly in favor of strike action to support their demand for a \$2 daily wage increase and the industry has indicated its fear that the walkout may occur before the end of the year.

The automobile workers are demanding a 30 per cent wage boost. The one-day walkout of some 10,000 CIO United Packinghouse workers (Continued on Page Two)

Business Block Is Purchased

Brown And Hamilton Business Block On East Washington Street Is Sold

An announcement was made today of the sale of the Brown and Hamilton business block on East Washington street to J. F. Freeman, representing a group of investors. The sale price is announced at \$134,000.

The property is two stories in height of brick and steel construction and has a long frontage on East Washington street. It is presently occupied by the J. C. Penney company.

Mr. Freeman said today that he represented a group of investors who had purchased the building. At the present time there is no thought of any change in tenants. Mr. Freeman said the building being bought merely for investment purposes.

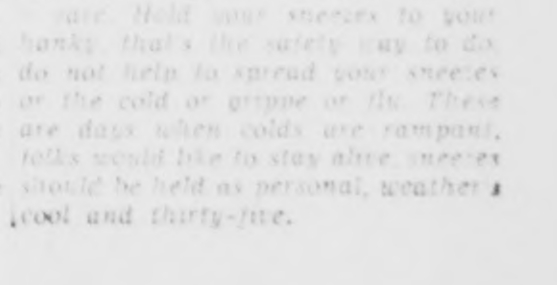

Seventy-Four Hurt In Gas Explosion

FALL RIVER, Mass., Dec. 5.—(INS)—Seventy-four persons nursed injuries today and more than a thousand windows of the Peperrell Manufacturing Co. plant were shattered by a gas main explosion.

The blast occurred after two workmen were overcome by fumes while trying to block a leak in a four-inch gas main in the company yard. Twenty-four employees of the Peperrell Co. and a construction firm excavating an underground passage were taken to four hospitals suffering from cuts, burns, shock and fumes. More than 30 others were treated at the scene.

Tommy Manville Marriage Sunday

GREENWICH, Conn., Dec. 5.—(INS)—Tommy Manville announced today he and his prospective eighth wife, Hobo News writer Georgia Campbell, will be married Sunday by a Greenwich justice of the peace. The couple obtained the license yesterday.

States Lagging In E-Bond Sales

WASHINGTON, Dec. 5.—(INS)—Twenty-one of the forty-eight states today were lagging in E-bond sales and were "below expectations" in that phase of the Victory Loan.

Pennsylvania has sold 98 per cent of its quota and Ohio 95 per cent. This was announced by Ted R. Gamble, national director of the Treasury's war finance division.

Sales of bonds to individuals in the eleven billion dollar loan have reached three billion, 846 million dollars, of which one billion, sixty-nine million were in E-bonds.

The goal of individual sales was set by the Treasury at four billion dollars, leaving fifty-four million yet to be subscribed.

unavoidable, perhaps, but all capable of orderly solution and speedy solution.

"Much depends upon such a solution for these problems. In many ways this is as important as winning the war itself."

"I am hopeful, therefore, that the manufacturers of America will approach the problems which confront us now in the spirit with which they approached their problems during the war."

The congress, which will last three days, got under way this morning.

DR. LANG DIES

LONDON, Dec. 5.—(INS)—Dr. Cosmo Gordon Lang, former archbishop of Canterbury and a powerful factor in the abdication of King Edward VIII, died today at the age of 81.

TAG DAY, DEC. 15, RAISE FUNDS FOR MISSION PARTY

(Continued from Page One)

City Rescue Mission will hold a Tag Day on the streets of the city and the citizens will have a chance to take a small part in the affair. Young ladies will be on the streets from nine until five with coin containers and at the end of the day it is hoped the Tag Day will be sufficiently large to finance the Christmas party idea.

The young ladies will start at nine in the morning and at noon they will be given lunch in the Mission with the Red Cross serving. About one hundred young ladies will be in the streets in charge of a supervisor. The entire receipts of the day will finance the Christmas party for the needy.

Army Chief of Staff, dated Aug. 29, 1941, and prepared by Lt. Col. W. P. Scooby.

"You are advised that the president has, on Aug. 29, 1941, given approval to the subject serial by endorsing the joint planning committee report as follows: 'O. K. P. D. R.'"

The subject was "joint Canadian-United States basic defense plan No. Two" which was known as the "ABC-22" plan.

Plan Approved

The then Secretary of War Stimson and Navy Secretary Knox wrote Mr. Roosevelt on Aug. 30, 1941, that they approved the plan "providing for common action in war against Germany and her Allies in the defense of contiguous territories, including Newfoundland and Alaska, and adjacent waters."

Lt. Gen. Leonard T. Gerow, war plans chief in 1941, identified the "ABC-22" defense plan but told the committee that a broader plan for joint action against the Japanese, drawn up at Singapore by the British, Americans and Dutch, "never went to the president."

"That document," said Gerow, "was never approved either by the chief of staff or the chief of naval operations."

It was also disclosed that Generalissimo Chiang Kai-Shek on Nov. 2, 1941, urged President Roosevelt to detach Philippine air units to support the Chinese armies and lead Great Britain in taking stronger measure to curb Japan.

This was revealed when the committee received a confidential letter which Chiang wrote to Mr. Roosevelt expressing concern over the possibility of the Japs capturing Kunming and breaking the back of China's war effort.

Wolves Members Hear A. Masinondo

Local Insurance Man Tells Of Service Experiences While In Italy

At the Tuesday evening dinner-meeting of the Wolves club, held at the Castleton, Anthony Masinondo, local insurance man, gave an interesting talk on his experiences of two and one half years in Italy.

Mr. Masinondo spoke on conditions in general now prevalent in Italy. He was introduced by Anthony N. Carbin.

President James L. Scarazza was in charge, and three board members were elected: Carme Sacco, Michael Gennaula and Anthony N. Carbin. They will serve for three years.

Reservations for the New Year party are to be in by December 15. Afterwards the club enjoyed the usual bowling session.

December 18 is the next meeting.

REPORT SCHMIDT TO FACE TRIAL

NEW YORK, Dec. 5.—(INS)—

The London radio reported today that Dr. Guido Schmidt, foreign minister in Chancellor Kurt Schuschnigg's pre-war Austrian government, had been brought to Vienna prison to face trial as a war criminal.

The broadcast, heard by NBC, said Schmidt was charged with paying the way for the Nazi Anschluss.

James Gould Cutler designed the first mail chute for office build- ings, hotels, etc. The first one was installed in the Elwood Building in Rochester, N. Y.

ments, Hurley had a short verbal clash with Committee Chairman Connally (D- Tex.).

Connally pointed out to Hurley that the general must have had private statements of policy for China from Secretary of State Byrnes.

Hurley replied that he was going to show that there had not been any public statement of American foreign policy for China.

Declines to Answer

Connally pressed his question and observed that Hurley declined to answer it.

"No, I do not decline to answer," Hurley shot back.

Hurley's discussion of a public announcement of American foreign policy in the Far East was prompted by a letter Secretary of State Byrnes wrote to Rep. Anderson (R- Calif.).

The letter was read in the House yesterday and placed in the Congressional Record.

Hurley began his evidence with the observation that "I am convinced that this committee is beginning a hearing on the foreign policy of the United States."

He declared that such a hearing should not be "partisan" and added, "I will decline to ally myself with any party group or with any minority."

situation stormed from the room with the shouted warning that "the time for negotiations is past."

Hacha and Chvalkovsky then were told by the Fuehrers' high-placed underlings that unless they signed hundreds of Luftwaffe bombs in ruins within two hours, Pens were pushed into their hands. They signed.

Leaving the chancellery, Chvalkovsky said bitterly:

"Our people will curse us yet we have saved their very existence. We have preserved them from a horrible massacre."

Alderman revealed that after the ordeal Hacha was so exhausted he required medical treatment.

Goering Loses Smirk

Hermann Goering, who smiled at Alderman's description of the Nazi ultimatum as a sample of "pure international banditry," lost his smirk when the prosecutor described the former Reichsmarschall as among those present at the meeting.

Sir Neville Henderson, the British ambassador to Berlin, later confirmed the German threat to bomb the Czechoslovakian capital.

The captured official shorthand summary of the Berlin meeting revealed the cynicism with which Hitler, as in the case of Austria, accomplished the rape of Czechoslovakian freedom.

He told Hacha that the Czech army could be smashed in two days and the world would move a mile.

ers in 11 Cudahy & Co. meat packing plants officially ended, but there were indications there might be many absences today. About 1,600 Cudahy workers at Newport Minn. threatened to stay out.

Meyer E. Stern, a district director of the union, declared:

"If there are no settlements, 11 big plants throughout the country will be hit by strikes within the next seven days."

The work stoppage was in support of the union's demand for a 25 cent hourly pay increase.

NEWLYWEDS TO MAKE FUTURE HOME HERE

After a two weeks' honeymoon in New York City, Lt. and Mrs. John T. Griffith, Jr., who were married Saturday in Churubusco, N. Y., will come to New Castle to take up residence.

Mrs. Griffith is the former Miss Albertine Gagnier, daughter of Mr. Edgar Gagnier of Churubusco, and Lt. Griffith is the son of Mr. and Mrs. John T. Griffith of 126 Richelieu avenue, this city.

The wedding ceremony took place in St. Philomena's church. Rev. E. H. Bernier performed the double ring ceremony.

Given in marriage by her brother, Hubert Gagnier, the bride wore a gown of white slipper satin fastened with a fitted bodice and long full skirt with semi-train. Her veil fell from a matching net cap and she carried a nosegay of white carnations, pinks and roses.

Mrs. James Kisaue of Malone, N. Y., was her sister's maid of honor. Paul J. Griffith of New Castle was her brother's best man. Ushers were James E. Fox of Philadelphia and Capt. Gerard Gagnier, M. D. brother of the bride.

Wedding music included organ selections by Miss Isabelle O'Donnell of Malone and three solos by Mr. Griffith, father of the groom, "On This Day," "Ave Maria" and "Pavane Angelus."

Following the ceremony a breakfast and reception were held at the Franklin hotel in Malone.

Lt. and Mrs. Griffith married to Montreal, Can., where they boarded a plane for New York City.

Mrs. Griffith graduated from St. Mary's college, Notre Dame, Ind., and has been a teacher of French in the Riverhead, L. I. school. Lt. Griffith recently returned from service with the third army in the ETO.

From New Castle those who attended the wedding were Mr. and Mrs. John T. Griffith and Miss Mary Louise Griffith and Paul J. Griffith.

HIGHLAND FACULTY DINNER FOR BRIDE

Faculty of Highland school at a dinner for 14 on Monday evening at a tearoom on the Wilmington road feted Mrs. J. H. Hook of Pittsburgh, new Virginia Callahan, a bride of the past summer.

After dinner Joseph A. Hartman, principal, presented Mrs. Hook with a wedding gift on behalf of the group.

Games, singing of Christmas carols, and the exchange of gifts concluded the evening.

Special guests were Mrs. Joseph Hartman, Miss Alma Locke and Miss Pearl Hutchinson.

Mrs. Martha Hanna, Miss Ella Atwell and Miss Lois Marion Smith were the committee in charge. Decorations were by Miss Marian Clark.

COUPLE CELEBRATE 30TH ANNIVERSARY

On the occasion of her parents' thirtieth wedding anniversary, Mrs. W. C. Casto, Jr., entertained for Mr. and Mrs. William E. Howard Monday evening at their home, 302½ North Cedar street.

Five hundred and games furnished entertainment for the 30 guests who were present. Prizes were awarded Mrs. Emma Maxwell, of Youngstown, and Mrs. W. E. Howard, Jr.

In serving buffet refreshments, Mrs. Casto had as aides Mrs. W. E. Howard, Jr., Mrs. James Mayberry, Mrs. W. J. Evans and Mrs. Glenn Tindall.

The guests of honor were married here in the parsonage of the Mahoning Methodist church in 1915 and have made their home here since that time.

Out-of-town guests were Mr. and Mrs. Joseph Maxwell and Miss Emma Maxwell, of Youngstown.

Miss Blanche Rowland and K. R. Howard, of Steubenville, and John Kerr, of Youngstown.

Junior Reading Circle event

Junior Reading circle met in the nurses home of Jamestown Memorial hospital on Tuesday evening at 8 o'clock for the annual Christmas party.

Games were the pastime and white elephant gifts were exchanged. Winners received first choice. Door prizes were won by Mrs. Robert Stone and Mrs. Dan Allen.

Mrs. Crawford Lyon was in charge of the social period.

During a short business meeting with Mrs. Fred Taylor presiding, the club voted a sum of money to be spent by Miss Elizabeth Mihaljan, hospital librarian, to purchase books of light fiction and magazines for the library of the nurses home.

Refreshments were served by the nurses. Mrs. Raymond Webb, Mrs. Harry Lockley, Mrs. Thomas Salisbury and Mrs. Scott Lowery.

Mrs. John H. Hook of Pittsburgh, the former Virginia Callahan, was a special guest.

Next meeting will be Tuesday, January 8.

DAVIS BARKETT CHURCH WEDDING

At a candlelight ceremony performed in St. Elias Orthodox church Sunday evening Miss Fannie Davis, daughter of Mr. and Mrs. John Davis of 1328 East Washington street, became the bride of David Barkett, son of Sam Barkett, 502 East Reynolds street.

The ceremony was performed at 5 o'clock with Rev. Luke Khoury officiating, using the double ring service in the presence of many friends and relatives. The altar was embanked with palms and ferns.

Given in marriage by her father, the bride was attractive in a gray gabardine ensemble with brown accessories, and a shoulder corsage of gardenias, centered with an orchid. She wore a ruby bracelet, a gift from the bridegroom from the South Pacific.

Miss Elizabeth Davis, as her sister's maid of honor, wore a yellow wool ensemble, brown accessories and a gardenia-brown shoulder corsage.

Philip Kelly, cousin of the bridegroom, served as best man.

A reception and dinner followed in the church hall, and assisting at the nicely arranged tables were Josephine Barkett and Mrs. Raymond Rich, ladies of the bridegroom. The couple departed on a wedding trip to New York City, and upon their return will reside at 502 East Reynolds street.

Both Mr. and Mrs. Barkett are discharged from service. Mrs. Barkett being a corporal in WAC, serving two years in Italy with the 12th air force. She is a graduate of New Castle high school.

Mr. Barkett served as MM 2-c in the navy, stationed in the Pacific theater for three years, and served one year in the states.

Out of town guests were Anna Messra, Pittsburgh; Mr. and Mrs. Albert Elias of Jeannette, Pa.; Mr. and Mrs. Joe Hanna of Warren, O.; Mrs. Alex Abraham, Mr. and Mrs. Mike Abrams, Mr. and Mrs. Joe Ferris, Mrs. Tony Moore of Carnation, O., and Mr. and Mrs. Frank Ellis of Chardon, Pa., the latter being a sister of the bride.

FAMILIES GUESTS OF W. W. M. G. CLASS

Guests, number 40 including their families, were entertained Tuesday evening at a dinner in the Third U. P. church by the W.W.M.G. class members.

Following serving a program was enjoyed. Nanci Ann King welcomed the guests. Patty Ann Bryan and Willie Book offered prayer, while Maryann Davis gave a reading. Christmas carols were also sung by the group.

Santa Claus, impersonated by Frank Hamilton, presented each guest with a gift. Mrs. Paul McGladie, leader of the group, was the recipient of a personal gift from the class. Mrs. Leroy Book making the presentation speech.

Paul McGladie and the Rev. C. R. Thayer were special guests.

Mrs. Ernest King, Mrs. Clarence McHarris, Miss Helen Keder and Mrs. Frank Hamilton composed the committee of arrangements for the event.

A. B. D. SOCIETY CHRISTMAS MEET

A. B. D. society of the First Presbyterian church held its Christmas meeting on Tuesday evening in the church parlors.

Mrs. J. J. McVaine, in charge of devotionals, told the story of how the hymn "Silent Night" came to be written in Switzerland and at the conclusion of her presentation Mrs. W. J. Caldwell sang the hymn. Mrs. James B. Matthews accompanied at the piano.

Mrs. W. J. Caldwell, program chairman, introduced Mrs. Robert Meade Patterson, who gave in narrative "The Mansion" by Van Dyke. Miss Mary Elizabeth Jenkins played the piano accompaniment.

Group singing of carols was followed by the distribution of gifts by Santa Claus, who was later revealed as Mrs. McVaine.

Refreshments were served from a table beautifully decorated in keeping with the season.

The society voted to give a Christmas treat to ladies of the Almira Home. A report by Mrs. H. M. Kirk, Jr., showed that a special project recently carried out was most successful.

Miss Jessie Wilson presided. Mrs. W. R. Allen, Mrs. J. B. McVaine, Mrs. Frank Offutt and Mrs. H. M. Kirk, Jr., were the hosts.

**CHILD CIRCLE
MEETS TUESDAY**

Associates of the Child Development circle gathered at the home of Mrs. A. L. Hoffmaster of Greenwood avenue for a quietude program Tuesday evening, when Mrs. O. W. Tilton was co-hostess.

Mrs. Robert Gibson contributed an interesting talk upon the subject, "What Christmas Means to Us." Mrs. C. T. Phillips, using various arrangements as models, offered a practical talk upon the subject, "Christmas Decorations for the Home."

After a tasty lunch was served by the hostesses.

Mrs. Donald Capson of Leisure avenue will entertain Tuesday evening, January 15, when Mrs. R. H. Johnston will be co-hostess.

EPWORTH W. S. C. S. ELECTS OFFICERS

Associates of the Women's Society of Christian Service of Epworth Methodist church assembled Monday evening at the Deaconess home, Phillips street.

After the nominating committee gave its report, the following officers were elected for the coming year: president, Mrs. Mabel Davis; vice president, Mrs. J. Ernest Rodgers; and secretary, Mrs. Harry McCurdy. A treasurer will be elected in the future.

Group singing of Christmas carols opened the meeting. Mrs. Elmer Delaney, giving a timely message, led the devotionals. "The Little Mixer," a lovely Christmas story, was presented by Mrs. Wayne Stillinger.

Mrs. J. F. Rentz gave an informative talk upon the "Lake-wood Project," a new work undertaken by women of the Erie district.

Later a tasty lunch was served by the hostess, Miss Ida Schmackel, aided by Miss Alma Wolverton, Miss Florence Thompson, Miss Edna Weide and Mrs. Mabel Davis.

Mrs. J. F. Rentz of Winter avenue will entertain the group at the next session.

WOMEN'S ECCLESIASTICAL CLUB ENJOYS PARTY

Women's Ecclesial club enjoyed their annual Christmas party, Tuesday evening in their club rooms, with a fair crowd in attendance.

Tables of cards were in play. 500 prizes, going to Mrs. Marie Kelly and Mrs. Catherine Haas, contests were won by Mrs. Bonnie Buhnik and Cecilia Flynn.

A delicious lunch was served later on an attractively arranged table. Santa Claus distributed gifts to the members, and a Christmas tree was also decorated.

Rev. F. Francis C. Strelitz, and Rev. Fr. John M. Unser, were given gifts in appreciation for their spiritual guidance.

During the evening directors were chosen: Mrs. Perma Hende, Mrs. Edith Faella, Mrs. Betty Factor, Pearl Kreutzler, Mrs. Adelaide Critchlow and Cecilia Flynn.

Serving on the committee were: Mrs. Rose Ulrich, Mrs. Edith Faella, Charlotte Leonardo, Mary Sansone and Mrs. Victoria Urban.

80TH BIRTHDAY HONORED BY PARTY

Honoring the 80th birthday anniversary of Robert E. Cummings, 21 Greenwood avenue, his children, grandchildren and great-grandchildren gathered in his home Friday evening, to help him celebrate the occasion.

The evening was spent in reminiscing early family days, with Mr. Cummings receiving a number of nice gifts at the close of the gathering.

A tasty lunch was served by Mrs. Cummings.

Out-of-town guests for the anniversary included: Mr. and Mrs. Ted Frankenburg and James Swager of Millburn; Mr. and Mrs. Alice Cummings and Mr. and Mrs. Hugh Wherry of Volant; Mrs. Roy Cummings of New Wilmington; Mrs. Charles Cummings of Butler; and Mrs. James King of Canton, O.

Fund Will Extend Training In Kenny Treatment Of Polio

Minneapolis Institute Needs More Room, Larger Staff To Care For Paralysis Victims

Because the Elizabeth Kenny institute at Minneapolis is the only place where training in the Kenny method is given, the success and extension of that institute concerns every child in America, leaders of the local "sock polio" drive point out.

National Chairman Bing Crosby, speaking of the need for contributions to the Kenny polio fund, explains that when the Kenny method of treatment for infantile paralysis victims has been used, most of the agony of the painful period has been removed and the crippling after effects of the disease have been eliminated to a great extent.

Sister Kenny, whose title "sister" is the common British title for chief nurses, developed her system first in Australia and then in England before coming to America. At her Minneapolis institute, there is not sufficient space to care for all who need treatment, and there are not enough doctors, nurses, and technicians trained in the Kenny method to go around in case of epidemic.

Besides Mrs. A. M. Shumaker, who is county chairman, the local leaders are: Mrs. L. P. Kohn, drive chairman; Mrs. J. A. Hewitt, special gift chairman; and Mrs. John Edgar and Mrs. William Cosel, publicity chairmen. Mrs. Edward J. Martin is honorary state chairman, and John A. Murphy of Philadelphia is general state chairman.

How Dr. Edwards Helps Constipated Folks!

For years Dr. Edwards relieved patients bothered by constipation with his famous Dr. Edwards' Olive Tablets—now sold by all druggists. Olive Tablets are mild, gentle but oh—so thorough! Olive Tablets act on both upper and lower bowels to produce more satisfactory movements. No gripping. Just complete satisfaction. Caution: use as directed. 15c, 30c, 60c.

County Farmers To Attend Meeting

Dorris L. Fulkman And Fred L. Taylor To Attend State Goals Conference At Altoona

Two Lawrence county farmers, Dorris L. Fulkman and Fred L. Taylor, will attend the annual goals conference for 1946 to be held in the Penn. Alto hotel in Altoona Wednesday and Thursday, Dec. 12 and 13. The conference will provide for the participation of all member bodies of the United States Department of Agriculture, State Council.

Clyde E. Zehner, state director of the field service branch of the Production and Marketing Administration, will open the conference, and representatives of farm organizations will express the wishes of their respective groups. Commodity groups will be named by the chairman.

Dairy, poultry, fruit and vegetables, potatoes, livestock, tobacco, hay and grain committees will study the national goals as submitted by production goal commodity committees and estimate how nearly the farmers of Pennsylvania will be able to meet the quota set up at Washington. They will be assisted by specialists furnished by the Agricultural Extension Service. Committees will report back for final approval of state goals.

The Pennsylvania goals conference is the first to be held in the northeast region, all of whom must meet by January 1 in order to permit farmers to prepare for the planting season on the adjusted state goals.

Youth Rally At Hoover Heights

Pittsburgh Minister To Address Bi-Monthly Rally Of Local Alliance Churches

Young people of the Lawrence county churches of the Christian and Missionary Alliance will rally tomorrow evening in the Hoover Heights Tabernacle, Morris and Moorehead streets, South New Castle.

The speaker for the evening will be Rev. Paul Winder, pastor of the East End Alliance Tabernacle, Pittsburgh. Rev. Winder is a young people's worker and is one of the directors on the Youth For Christ board in Pittsburgh.

The rally which is conducted bi-monthly in a different church of the area, will be presided over by the president, Rev. Russell Schillinger, pastor of the host church.

Special music will be given by Avery Rigby, Jr., of the Pearson street tabernacle and Mrs. James Dittmar of New Wilmington church. Joseph Proctor of the Sampson Street Mission will conduct the song service.

Churches to participate in the meet will be Gospel Tabernacle, Pearson street; Peoples Mission, Sampson street; Peoples Tabernacle, New Wilmington; Castlewood Tabernacle, Castlewood; Ellwood City Tabernacle, Ellwood; Drake Tabernacle, Leesburg; Washington Mission, Scotland Lane, and the host church.

Former Resident Claimed By Death

Mrs. Minnie Mae Woods, widow of James E. Woods, died at her residence in Belmont, Mass., Sunday, Dec. 2, and funeral services were held Tuesday, Dec. 4.

Mr. and Mrs. Woods were residents of New Castle for many years and in 1904 their marriage took place in this city.

Mr. and Mrs. Woods moved to Belmont, Mass., in 1917, and since that time have been very active in church and community affairs of the town. Mr. Woods was an executive with a large oil company in Boston, Mass.

Surviving is a daughter, Mrs. Jane Elizabeth Kingston.

Veterans Still Use Information Center

Showing an increase over the previous week, the information of the Veterans' Advisory Council reports that 75 veterans came to the center, in the U. S. O. building, for information and advice during the week ending December 1.

Over half of the cases were brief cases, completed at the information center, and the rest were referred to other agencies. Of those which were referred, 21 were sent to the Veterans' Administration, six to the education committee, three to the Lawrence County Veterans' Affairs office, eight to the U. S. employment office, one to the Red Cross and four to miscellaneous agencies.

Evangelist Is Negotiating For Month's Stay Here

Rev. Jackie Burris Contracting For Use Of Cathedral For Series Of Services

Negotiations have virtually been completed with the board of control at the Cathedral by the Rev. Jackie Burris, noted evangelist, for use of the Cathedral from February 10-1946 to March 10, 1946, for a series of evangelistic meetings to be held during this period, it is learned.

Rev. Burris was in New Castle some years ago conducting services on the old Rosa Furnace site, and attracted considerable attention at that time.

To Discuss Future Of Agriculture Here

Under the sponsorship of the Farm Security Administration, a meeting will be held in the Y. M. C. A. on Friday, December 7, at 8 o'clock, the theme of which will be "The future agricultural program of Lawrence county." Clair E. George, FSA supervisor for the district, announces.

CLEAN OUT CHIMNEY AS FIRE PRECAUTION

Dangers of farm fires go up as the temperature goes down.

Take advantage of the first warm days to clean and inspect the chimney. Sometimes where chimneys are well constructed chimney fires can be permitted to burn themselves out without danger to the dwelling.

Crescote or black liquid condensation on the chimney surfaces is the result of slow burning of green wood. A good, hot coal fire or one of dry wood, may take it out the first time. Well-built chimneys do not permit this accumulation. If dry wood or coal is used.

Chimney sparks or fires can be extremely dangerous when the roof or the farm home is of dry shingle construction.

Girl Scout Leaders Have Holiday Party

Twenty-seven Girl Scout leaders and their associates met for a holiday party and short business meeting in a Highland avenue room Tuesday evening with Mrs. C. C. Booher presiding at the meeting.

Reports from the Girl Scout council were made by Mrs. Kathleen Wetzel and Miss Maxine Bigley after which the guests enjoyed a program of singing under the leadership of Mrs. H. C. Knittel.

Following the Christmas songs sung by the group, the leaders were entertained by amusing camp songs sung by Mrs. Walter Jessel and Mrs. David Lewis. Mrs. Booher was accompanist.

Added attractions to the laugh served later in the evening were colorful Christmas favors made by members of troop 4 under the direction of Mrs. Walter Jessel.

The leaders will meet again in the Girl Scout office on Tuesday evening, January 29.

Miss Truman's Life Is Not Gay Round, As Many Think; She Doesn't Even Cut Class

By MARTHA KEARNEY
(U. S. Staff Correspondent)

WASHINGTON, Dec. 5 — The Christmas spirit of President Truman's pretty, blonde daughter Margaret today is a little wilted around the edges.

The trouble is, according to Miss Truman, that too many people are inclined to believe that her life is a mad, gay round of gala plane christenings, White House teas and football games.

She expanded on the subject at the first official White House tea of the season where she circulated among the guests, helping the first lady to entertain.

The Lady Shopper Said:

It seems that the White House's pretty occupant was spotted by two

lady shoppers on a very recent Christmas shopping tour. The dialogue went something like this:

First Shopper: "Is that Margaret Truman?"

Second Shopper: "No, it can't be."

First Shopper: "Yes, it is. I'll bet she's cut her classes again."

After relaying the conversation Miss Truman noted that she has missed only one of her George Washington University classes this year and that her one cut was taken because she was ill and unable to attend.

Her extra-curricular White House activities are strictly on her own time.

It is between classes and assignments and exams that Miss Truman makes the public appearances demanded of the first family.

House-Hunters Will Still Worry

**Little Hope Of Relief In Situation Until Next Fall
Declares Housing Director**

PITTSBURGH, Dec. 5.—(INS)—House-hunters in western Pennsylvania today have little hope of ending their worries until next fall, Frank L. Palmer, executive director of Allegheny county housing authority in Pittsburgh, declared.

The housing shortage, which has been troublesome since government building ended in 1943, will become even worse as more men return from the services, he said.

The shortage may end if the Wagner-Ellender-Taft housing bill, which is now being heard in the senate, is passed. If the bill passes as expected, next spring will see the beginning of the greatest building program in western Pennsylvania's history, Palmer declared.

In the Pittsburgh district alone, plans call for the construction of 12,500 homes a year for 10 years. The nine other housing authorities in western Pennsylvania will have an equal number among them. Ten per cent of the homes will be for families unable to pay more than \$20 rent; 40 per cent will be private homes for families in the \$20-\$40 rent bracket; 50 per cent of the dwellings will be for sale from \$5000-\$7500.

For Immediate Relief

For the immediate relief of returning veterans, Palmer said, there have been three plans advanced.

"We can either house the veterans in the temporary wartime projects—which are very unsatisfactory—or we can make a door-to-door canvass of each district, asking families to offer available space. Or the vets may choose to double-up with their families."

Building—even private building—will not begin until next spring because of the lack of men and materials. Once it does start, dwellings will be constructed as fast as possible but it won't be until fall before the shortage begins falling off, Palmer said.

If the Wagner-Ellender-Taft legislation does not get through congress, housing authorities predict most of the building will be of higher priced homes which the average man cannot afford.

If the bill passes, construction will center around low-rent and middle-rent projects. The law would insure large scale investors against loss, aid in the redevelopment of slums and would help meet western Pennsylvania's most serious need—good housing for industrial and white-collar workers.

Asks Permission To Serve Jail Term

Woman Spurns Parole On Good Behavior; Wants To Get 'Straightened Out'

PHILADELPHIA, Dec. 5.—(INS)—People won't be seeing pretty 21-year-old Mrs. Elaine McColgan around for the next year and a day.

At her own request, that's how long she'll spend in jail for stealing government checks.

Spurning a chance for a good behavior parole after four months, she told flabbergasted Federal Judge Harry E. Kalodner:

"If you don't mind, I'd rather serve the whole sentence. My whole life has been messed up and I think the only way I can straighten things out is to be away for a long time."

Mrs. McColgan, wife of a discharged veteran, got her request. Judge Kalodner sentenced her to serve the term in the women's reformatory at Alderson, W. Va.

It was her second appearance in court in five months on charges of stealing government checks. The first time she was freed on promise of making restitution, which she did.

Westminster Organ To Be Rededicated

**Chapel Organ Will Come Back
Practically New After Rebuilding By Moller Company**

NEW WILMINGTON, Dec. 5.—The Westminster College chapel organ which is being rebuilt at the M. P. Moller, Inc. plant at Hagers-town, Md., will be shipped December 10 and should be ready for use sometime in January, according to word received by college officials.

The organ, which was given the college by Dr. Samuel Elliott and Letitia Elliott, was dismantled in September. All pipes were sent to Baltimore to be re-voiced.

Many new ranks have been added and the organ will have a new four manual console.

The present cloth ceiling screens used for amplification of the organ tones, are to be replaced with wooden grilles.

A recital by a member of the music faculty will mark the dedication service, according to Donald Cameron, music department head.

Farrell To Raise Tax Assessment

FARRELL, Pa., Dec. 5.—(INS)—The city of Farrell will raise its tax assessment on real estate next year to make up a \$100,000 reduction granted the Sharon Steel company. It was today disclosed.

Sharon Steel was granted the reduction when it purchased the Farrell plant of the Carnegie-Illinois Steel Corporation.

Farrell landowners, it was reported, have given city officials their assurance of cooperation in the second step of the deal which was hailed as assuring the future of Farrell as a steel center.

Student Drive For Memorial Funds Is Encountering Lag

NEW WILMINGTON, Dec. 5.—The Holed and Student Council at Westminster college are winding up dormitory and organization solicitations this week for the student union memorial drive.

The two groups, heading the campaign which would pay tribute to the college's fighting men, have encountered a lag in contributions. A total of \$3,100 has been raised up

to date. A goal of \$5,000 had been set up by the alumni association as the students' share.

Reports from servicemen indicate a similar drive among the fighting men themselves. Many have expressed their belief that servicemen would join the alumni students in erecting a student union.

Home-Mixed Cough Syrup Gives Quick Relief

Saves You Big Dollars. And It's So Easy! No Cooking.

Here's an old home mixture your parents probably used. But, once tried, you'll always use it, because it gives such quick, pleasing relief for coughs due to colds.

And it's so easily mixed. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking is needed. Or you can use corn syrup or liquid honey, if desired. Now put 2½ ounces of Pinex (obtain from any druggist) into a pint bottle, and fill up with your

Pinex. This makes a full pint of truly splendid cough medicine, and gives you about four times as much for your money. It keeps perfectly, tastes fine, and lasts a long time. You can feel this simple home mixture take right hold of a cough. It loosens the phlegm, soothes irritation, and helps clear the air passages. Eases the soreness, makes breathing easier, and lets you get restful sleep. Pinex is a special compound of proven ingredients, in concentrated form, well known for its quick action on throat and bronchial irritations. Money refunded if it doesn't please you in every way.

'Messiah' Will Be Given Monday Night In New Wilmington

Pittsburgh Artists Will Be Soloists With Large Choir In Wilmington U. P. Church

NEW WILMINGTON, Dec. 5.—A choir of about 135 voices will present Handel's oratorio, "The Messiah," at 8:15 p. m. Monday in the United Presbyterian church.

The Christmas production is a community project sponsored as an artist course number. Donald O. Cameron, head of the music department at Westminster college, announces.

The choir, directed by Charles I. Sager, assistant professor of voice, includes college students and faculty, and residents of New Wilmington and surrounding communities.

Featured soloists are Alice Long, soprano; Mabel King, contralto; Robert Bodyscombe, tenor and Reed Kennedy, bass, all of Pittsburgh. Miss Dorothy Kirkbride, associate professor of piano, and James W. Evans, associate professor of organ and composition, are to accompany the singers.

T-Sgt. Helbley Is Given His Discharge

T-Sgt. Edward T. Helbley, crew chief with the 312th Bombardment group of the Fifth Army Air Force, received his honorable discharge at Indiantown Gap on December 1.

He is a brother of Mrs. L. C. Mantz of 1116 East Washington street. Sgt. Helbley enlisted January 7, 1942, at Fort Hayes, Columbus, O., and was in the India-Burma campaign, Japan, New Guinea, West Pacific, South Philippines and Luzon. He has the Good Conduct Medal, Distinguished Unit Badge, Meritorious Unit Award, Philippine Liberation Ribbon with two stars, American Theater Service Medal, Australia-Pacific Theater Service Medal and the Victory Service Medal with six bronze stars.

A strange coincidence is noted in connection with his departure and arrival from overseas. He sailed for the South Pacific on November 1, 1942, and arrived at his destination November 19. On his return he sailed for the U. S. on November 1, 1945, and arrived on November 20.

Cpl. A. F. Masinando Returns From Italy

Visits Home Town While Serving As Interpreter For Allied Control Commission

Cpl. A. F. Masinando, of Hillsville, had the privilege of not only serving his country in the armed forces, but was able to return to the place where he was born in Italy.

Cpl. Masinando, who enlisted in the army three years ago, left for overseas training, following six months spent in camps in this country. His

duties in the army consisted of being an interpreter for the Allied Control commission. Speaking fluent Italian, he translated the English into the Italian language and the Italian into the English for his superior officers.

The unique part about the Hillsville corporal's overseas service was that he was stationed within a short distance of his home town which he left at the age of four to come to the United States. Each week he was privileged to spend one day with his aged grandfather, 87 years old, who resides in Camigliano, province of Naples. Other relatives on his mother's side reside in that city.

Reporting that the Italian people

in that section of the country had the greatest respect for the United States Army, Cpl. Masinando, served with the Postal Unit of the army before embarking for the United States and receiving his honorable discharge from the army at Indiantown Gap on November 30.

His awards consist of the ETO Ribbon with three battle stars, Good Conduct Medal, and the Meritorious Unit Plaque.

Cpl. Masinando, who resides with his parents, Mr. and Mrs. Nicholas Masinando, at Hillsville, plans to return to the Knight's Life Insurance company after January 1, following a short rest period spent with friends in the south.

Paper Collection On Saturday May Be Last One Here

For what may be the last time in years, New Castle householders will be able to get rid of their waste paper Saturday, Dec. 8, without cost to themselves and with gain to some worthy institutions of the city. The December Waste Paper Collection will be held beginning at 1 o'clock in the afternoon.

Householders are asked to bundle

their old newspapers, magazines, books and wrapping paper in bundles not exceeding 15 pounds and have them on the curbs before noon. Starting at 1 o'clock trucks will pick up the bundles. They will be loaded into box cars and shipped to paper processing mills.

The net proceeds from the paper collection will go to the Boy and Girl Scouts, Y. M. and Y. W. C. A., the Salvation Army and the City Rescue Mission. Trucks will be provided by the Lawrence County chapter, Pennsylvania Motor Truck association and various merchants. The same waste paper committee that functioned during the war will

be in charge of this collection, headed by Chairman Joseph A. Hartman. It is a chance to get rid of a lot of waste paper that has accumulated during the past two months.

INSURANCE WOMAN WILL SPEAK HERE

City Rescue Mission Never Closed In Past 32 Years

From dawn late in the night, the work of the City Rescue Mission, 17 South Mercer street, is carried on seven days a week throughout the twelve months of the year.

The Mission which was organized thirty-two years ago by the late Robert McKinney, has never closed its doors during that time and has held out a helping hand to men and women in all walks of life, during those years.

Outlines Work

Rev. D. P. West, superintendent of the Mission, outlined the work that is carried on, stating that many people have the wrong idea of Mission work, some thinking that the only ones receiving help from the institution are those that are completely down and out. "Many are the calls," stated Rev. West, "from citizens of the city for various articles of clothing or food stuffs that are sent in from various channels and these folk are not down and out, but just don't have enough to make ends meet, so they turn to the Mission to fill in the gap."

None Turned Away

"No one is ever turned away from the doors of the Mission," continued the Mission Superintendent, "but those that do come in for food and lodging, must abide by strict rules of cleanliness." The homeless or transient men and women who apply for overnight sleeping quarters usually attend a religious service, and are signed up for lodging, given a thorough shower bath, given clean night clothing and a clean bed to sleep in. All articles of clothing that they wear, are put in a fumigator for the night.

Given Breakfast

The men that spend the night in the mission dormitory are awakened at a reasonable hour and are given a hot breakfast before they are sent on their journey in whatever direction they may be going. In many instances, if the man's shoes are worn through or his trousers are quite thin, second hand shoes and clothing are provided, thus sending them out on the street, not only with a full stomach, clean clothes

but a much lighter heart than when he entered the Mission doors.

Eleven Months Report

Superintendent West reported that during the past eleven months, 1,033 meals have been given and 352 lodgings have been recorded on the books. The number has increased 50% over 1944 as there are more men on the road with the cessation of the war plant activity.

English Bride Of American G.I. Seeks To Marry Another In United States

DUBUQUE, Ia., Dec. 5.—(INS)—Capt. Darrell Beschen and another G.I.'s English bride, he hopes to marry, sought the aid of an attorney today in an effort to total up the score in this strange game of international hearts.

Mr. Beschen, an engineer turned humorist by popular request, combined a mixture of wit and humor with a sound philosophy of life which enabled his hearers to turn from the sober side of life to be entertained and forget many of the more serious problems facing them.

Mr. Beschen moved a fine story teller and his jokes were presented in a way which penetrated the funny bone.

Dr. W. E. Flannery called upon Nina Vidal to introduce the speaker.

The reception committee for the next meeting, Tuesday, Jan. 15, will be Mr. and Mrs. William Voorhis, Dr. and Mrs. T. J. A. McFate, Sr., and Dr. and Mrs. E. L. Vincent. The speaker on this occasion will be Frank Warner, who will speak on American Folk Music and Its History. This will be an illustrated presentation.

Mr. Beschen gave further evidence that he may prove recalcitrant when he refused to talk with the captain of the girl by long-distance telephone.

He referred them to his lawyer, who said he would like to see the \$605 plane (see page 1).

Also, she said, her Christmas shopping season must of necessity resolve around securing a layette for her unborn baby.

New Castle Executive club members and their ladies spent an entertaining evening in the Castleton Tuesday, listening to Ernest Robert Rosse, one of the nation's outstanding humorists, as the guest speaker at their monthly dinner meeting.

Mr. Rosse, an engineer turned humorist by popular request, combined a mixture of wit and humor with a sound philosophy of life which enabled his hearers to turn from the sober side of life to be entertained and forget many of the more serious problems facing them.

Mr. Rosse moved a fine story teller and his jokes were presented in a way which penetrated the funny bone.

Dr. W. E. Flannery called upon Nina Vidal to introduce the speaker.

The reception committee for the next meeting, Tuesday, Jan. 15, will be Mr. and Mrs. William Voorhis, Dr. and Mrs. T. J. A. McFate, Sr., and Dr. and Mrs. E. L. Vincent. The speaker on this occasion will be Frank Warner, who will speak on American Folk Music and Its History. This will be an illustrated presentation.

Strouss-Hirshberg Offers Wallace Block To Legion

Building, Recently Purchased By Local Firm, Is Offered At Purchase Price

Announcement was made today by Strouss-Hirshberg that they have purchased the Wallace Block, on the Northeast Corner of the Diamond.

However, because the Perry S. Gaston Post, American Legion, was also interested in the building at the time it was offered for sale, and had made an offer to purchase at the same time, Strouss-Hirshberg's have notified the American Legion Building committee, through its chairman, of their willingness to turn the entire property over to the post at the price they paid.

To Present Movie At Mt. Jackson

Hauser Will Seek To Escape Chair

Will Tell Story Of Girl's Murder To Jury After Making Plea Of Guilty

UNIONTOWN, Pa., Dec. 5.—(INS)—Frederick Hauser, 19-year-old Monessen ex-sailor, was to take the witness stand today or tomorrow to tell his own story of the murder of Anna Elizabeth Dreyer, 18, Fayette City's "Sunshine Girl," to which he pleaded guilty.

Hauser will tell his story to Judge W. Russell Carr in an effort to escape the electric chair.

Hauser, acting after a conference with his mother, Mrs. Emma Knecht, and brother, Gus, changed his plea to guilty after 36 prospective jurors were examined without one gaining a seat.

Judge Carr said he would hear the evidence to determine the degree of guilt. First witness for the state was Frederick W. Dreyer, father of the dead girl, who identified articles of clothing found along the highway as clothes his daughter wore the night he last saw her.

Hauser was charged with strangling the girl with her own belt after knocking her unconscious when she resisted his advances. Later he dumped her partially nude body in some bushes, according to the charge.

TIRE THAT OUTWEARS
PREWAR TIRES!

It's today's best tire for your car

A "MIRACLE," some have called it! Few believed that a tire could ever be made of synthetic rubber that would actually outdistance those made of prewar natural rubber. Yet, here it is, the new B. F. Goodrich Silvertown. And here are some of the reasons for its longer-than-prewar mileage:

New, better synthetic rubber

A new rubber, so superior that for a long time it was a closely guarded military secret, was developed by B. F. Goodrich. Tires made with this rubber wear longer, run cooler. They have greater resistance to cracking—actually are more resistant to bruising and damage from accidents. But rubber is only one reason why the new B. F. Goodrich Silvertown outwears prewar tires.

New road-level tread—
stronger body

In the picture above, note how the tread is flatter—puts more rubber on the road. This means that more rubber shares the wear, spreads it evenly over the whole tread surface. No more worn-out-in-the-middle treads. The result: more mileage, better traction, more skid-resistance and greater safety.

The tire body is more rugged, too. B. F. Goodrich developed a stronger cotton cord for this tire. And more cords are used than in prewar tires. Another feature that means more miles, greater safety for you.

Nearly 17 million test miles

Over 2,000 tests have been made with this new tire. Taxi fleets, state police cars, and the B. F. Goodrich test fleet have rolled up nearly

17 million miles under all kinds of driving conditions. The new B. F. Goodrich Silvertown gives longer tread wear... actually outdistances prewar tires.

Backed by 3 years' EXTRA
synthetic tire experience

The first B. F. Goodrich tires containing synthetic rubber were sold to American motorists 18 months before Pearl Harbor. That was three full years before the first synthetic rubber tire was made in this country. This three-year head start is another reason why you can count on extra mileage, extra safety, extra value from the new B. F. Goodrich Silvertown. Supplies are still limited, of course, but we hope to have much larger quantities in the hands of most dealers within the next few months. The B. F. Goodrich Company, Akron, Ohio.

Lions Hear Of Rocketing And Jet Propulsion

Frank Bailey Of American Cyanamid And Chemical Corporation Gives Interesting Talk

New Castle Lions heard an interesting discussion about the principles of rockets and jet propulsion at their noon luncheon meeting in the Castleton, Tuesday noon, when they were addressed by Frank Bailey, of the American Cyanamid and Chemical Corp.

Mr. Bailey went into the background of rocketing, through which members of the American Rocket Society, have always hoped to establish interplanetary communication, and which led up to the developments which came out during the war rocket bombs, and jet propulsion planes.

With the discovery of liquid fuels, ethyl alcohol and liquid oxygen, rocketing and jet propulsion went forward, this being the fuel which powered the V-One rocket used by the Nazis. Liquid fuels, he explained, are of two types, those which carry their own oxygen, and those which get it from the air.

The V-2 bomb used the second type of fuel, and was capable of lifting a load of 30,000 pounds. They were so devised that their power was expended in 71 seconds, and they coasted the rest of the way, rising to the top of their trajectory and falling without sound. They expended 260 pounds of fuel per second.

The force which propels rockets and rocket bombs, he explained was caused by the expanding gases pushing forward in seeking escape from the chamber where they are generated.

Jet propulsion planes, developed during the war, he stated had a speed three times the speed of sound or about 3,600 feet per second.

The report of the club's bond sales effort in the Victory Bond campaign, reveals a total of \$178,000 has been sold so far in the campaign by club members. Houk's team reported sales during the past week of \$10,724.50; and Donkin's team, \$2,725.

Guests of the club were Lewis G. Freeman, of Salem, O.; Thomas G. Allen, Boy Scout executive; and Ernest Robert Rosse, of Philadelphia, who addressed the Executive Club at their meeting Tuesday evening.

New 'Flu' Vaccine Ready For Public

NEW YORK, Dec. 5.—(INS)—A new "flu" vaccine effective in certain types of influenza was promised to the public today by February.

The vaccine was developed by the preventive medicine division of the surgeon general's office and has been used extensively by the army.

Commercial companies said they would start sales by February.

Health officials said the vaccine was not a perfect means of immunization but that it was effective in reducing the incidence of A and B types of "flu."

'Yes, We Now Have Some Bananas' Is Wholesalers' Claim

Housewives can't look for that luscious yellow fruit—bananas—renewed for some time, but the shortage is being solved and those big bunches may grace your refrigerator in the future.

Wholesalers are receiving a trickle of the fruit, about one carload arriving weekly. The shortage is caused by inadequate shipping since the nation took over the huge cargo ships for the war effort.

Most of the fruit comes from the Central American countries, and the climate is so hot there that refrigerated ships are a necessity. Until these ships are reconverted or new ones are made, the shortage will persist. Whereas before the war the freight lines plied their trade as far as New York and Boston on the eastern coast, they only arrive at the Gulf ports now.

The small shipments are evenly distributed between all the district retail establishments.

Westminster Coed Will Teach Music In Wampum School

NEW WILMINGTON, Dec. 5.—Marian McNary, senior music major from Canonsburg, has accepted the position of music supervisor at Wampum High School. She will begin her duties upon graduation from Westminster College in late January.

McKnight Enrolls At Princeton Seminary

NEW WILMINGTON, Dec. 5.—Capt. W. J. H. McKnight, veteran of the European theater of operations, who spent the past several weeks on the Westminster college campus, has enrolled for graduate work at Princeton Seminary, Princeton, N. J.

Capt. McKnight, a Westminster graduate and formerly pastor at a Buffalo, N. Y., church, served as a chaplain with the armed forces for three and a half years.

Mrs. McKnight, who is house-mother at College Hall, a girls' dormitory, and daughter Becky, a sophomore, and Christine, a grade school pupil, will join Capt. McKnight at Princeton as soon as he is able to locate a house.

More Mistletoe? Naturally; Boys Are Home Again

Now comes the true reason why the town was not flooded with mistletoe last Christmas and why it very probably will be this year—the florists were just a little bit wary about stocking up on too much of the suggestive greenery when so many men were away from home. No one needs to be told that the situation is different this year—that many a miss, and many a "mistake" too, who had no use for mistletoe last year can use it now.

Consequently, it will be found in large quantities in stores, and in strategic places throughout most of the homes in the city. And the young ladies will have to be careful very careful not to miss those strategic places, for in the words of the popular song, "it's been a long long time."

Titans Playing Juniata Tonight

First Collegiate Attraction Of Year For Westminster Quarter At Home

(Special to The News) NEW WILMINGTON, Dec. 5.—Weakened by a mild spell of influenza, Westminster's Towering Titans open their 17-game season at 8:15 tonight against the Juniata Indians at home.

Several of the players were affected during the past week but no serious cases have been reported and all the players attended the practice session yesterday. Jay Cochran, freshman starter, was bedded over the weekend but has recovered and will be in the lineup tonight.

Start Same Lineup
Coach Grover C. Washbaugh is standing pat with the same starters that opened against Akron. Goodyear in pre-season warmups. He will use Chris Wagner and Don Hedderston at the forward line. Paine at center and Jay Cochran and Dean Nelson at guards.

Mike Snider has taken over the coaching assignment of the Indians after receiving a discharge from the navy. He will have five lettermen in the starting posts with the return of Mickey Leeper and Gene Brumbaugh, appointed captain from the reserve.

Probable starters are Dain Resnick and Earl Kaylor at forwards. Brumbaugh at center and Leeper and Harry King at the guards.

Tonight's game will be the last played on the home court before Christmas vacation. The Titans will not appear at home again until January 8 against Geneva.

Bessemer Upsets North Lima High

Bessemer Impressive In Second Win Of Year Over Ohio Opponents, 35-22

(Special to The News) NORTH LIMA, Dec. 5.—Bessemer High from Lawrence county, Pa., came here last night and defeated the North Lima boys 35 to 22 in a fast encounter. It was Bessemer's second win over an Ohio foe this year, having triumphed New Springfield last Friday. Bessemer won the preliminary game 25-17.

Bessemer led 9 to 4 the first period, and at the half 19 to 5. North Lima looked better the second half, outscoring Bessemer 17 to 16. Michigan and C. Schwartz were the game stars, with nine points each.

Bessemer will play at Hickory High on Friday night. It was announced by Coach William Ciccone.

Church League Games Tonight

Second U. P.'s Undeclared Quintet Gets Test Tonight With First Presbyterians

Three more games will be played in the New Castle Church Basketball league at the "Y" starting at 7:30 tonight. The games are as follows: Croton vs. Wampum; First Baptists vs. St. Paul's; First Presbyterians vs. Second U. P.

The First Presbyterian and Second U. P. game will be the third game on the card and will be the feature attraction. Second U. P. is undefeated in two previous starts, while the Presbyterians are trailing with two wins and one defeat. The lineups of both teams are dotted with stars.

Coach Dick Davis of Second U. P. is confident his boys can come through this one successfully, this being one of the biggest battles in the league outside of Epworth and Sacred Hearts.

Automobiles, and not rifles, have killed at least 155 deer in Pennsylvania in 1945. Dauphin County had the highest toll with 53.

Frankie Moran Defeats Higgins

Gibbons Substitutes Against Newkirk, Wages Game Fight; Emerick Wins From Wheeler

LAST NIGHT'S RESULTS
Frankie Moran, New Castle, defeated Charlie Higgins, Youngstown, at 140, 3 rounds.

Alec Emerick, McKeesport, defeated Buddy Wheeler, Youngstown, at 165, 3 rounds.

Jack Hall, McKeesport, defeated Tom Peluso, Youngstown, at 130, 3 rounds.

Benay Newkirk, New Castle, defeated Chuck Gibbons, Ellwood City, at 140, 3 rounds.

George Gavin, Youngstown, defeated Eddie Polo, McKeesport, at 128, 3 rounds.

Charlie Robinson, McKeesport, scored a TKO over George Lambino, Youngstown, at 120, 2 rounds.

Curt Brown, McKeesport, defeated Al Tombo, Struthers, at 110, 3 rounds.

Bobby Colbert, Struthers, defeated Dick Harris, Youngstown, at 120, 3 rounds.

Fighting his first post-war battle, Frankie Moran, local lightweight, scored a three-round decision over Charlie Higgins, alias Jack Knife, of Youngstown last night before a good crowd in The Arena.

Higgins substituted for Tommy Hillon, also of Youngstown, who reportedly was taken ill yesterday. Moran forced the fighting, struck the hardest punches and was master throughout.

Had Moran employed hooks to open up Higgins when he bent double, instead of crossing punches, he might have inflicted more damage. Whenever he did land solidly Higgins would back up like a drill.

Frankie exhibited his pre-war ring viciousness by his timing and speed about were off. However, with a few fights under his belt, he should regain his eye and speed.

While it was the main event, the evening's event, the best fight actually was between Benny Newkirk, ex-sailor, boxing his first post-war affair against Chuck Gibbons of Ellwood City at 140.

Gibbons accepted the fight upon a minute's notice. At first, it appeared as though Newkirk knew too much for Chuck and the Tube City lightweight would prove a easy victim.

However, the fight had not gone more than a round until Benny, despite Gibbons' much punched face, was in for a rough voyage for two more rounds, and that is except what happened.

Gibbons worked Newkirk into a corner time and again and behaved him soundly but, at last, Gibbons was master. He also delivered some terrific hooks when over Gibbons bent over, which did the Ellwood boy any good.

It was a real fight, one the fans liked, and indications are that when the first show goes on, Gibbons will receive a return bout. He seemed last night as a substitute merit.

"Outbulks" Wheeler
The semi-final bout Alec Emerick of McKeesport, who had a defense like a turtle, opposed to a tanky Buddy Wheeler of Youngstown at 160. Wheeler permitted Emerick a smart, seasoned fighter, to outbully him. Emerick got the nod.

Buddy shot rights and lefts at long range whereupon Alec would go into a shell, then let fly with either overhand punches to the head or short chops to the body which Buddy couldn't stop.

The opening act between 110-pounders Dick Harris and Bobby Colbert was a good fight throughout, with Colbert being too fast and scientific for Dick. The latter liked the opening stanza of the Evening's event very much.

Al Tombo, lacking the physical strength to cope with Curt Brown, who staggered Tombo in the second, Tombo was on the run in the third. Brown hit the stiffest blow, was the more aggressive and smarter.

The Tommy Palumbo-Jackie Hall three-round scrap was interesting all the way. Stomach punches hurt Hall and he held on toward the end of the second round, but in the last of the third they were exchanging hard blows. Hall got the decision.

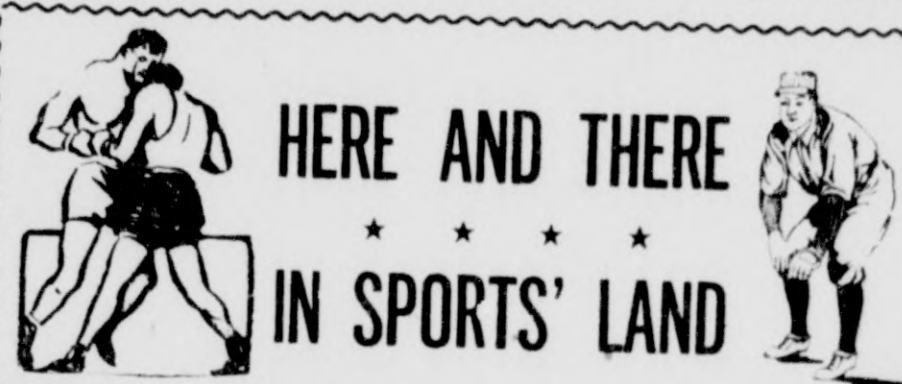

Charlie Robinson, brother of Zack the pro, forced George Lambino to quit in the second round. Charlie's punches to the midriff took the wind out of Lambino who gave up the fight when hurt.

George Gavin and Eddie Polo put on a dancing act. For two rounds they waltzed and made threatening gestures with their gloves. There was a little action in the third round. The judges gave Gavin the decision.

The bouts were arranged by the Jefferson A. C. and were supervised by representatives of the State Athletic commission and Amateur Athletic Union with Red Robinson, well known third man, officiating.

Prior to the Army-Navy game, Cadets "Doc" Blanchard and Glenn Davis had scored more points between them than the entire Middle eleven. The same still goes.

Koszela, Eakin And Walls Shine As Red And Black Cop Opening Game

PEABODY HIGH HERE FRIDAY

Athletic Director Philip H. Biedenbach took the wraps off his 1945-46 New Castle high school basketball machine last night and the Red and Black cagers romped to a 34-18 win over Youngstown. The victory at George Washington High gym opened the season for the local unit.

The smooth-working Biedenbach five never left the lane in doubt and climbed into the drivers' seat in the opening quarter, as forward Al Koszela and Bill Eakin, dumped in a brace of field goals apiece and the score was 11-5 as the first period closed.

Walls Helps Cause
In the second stanza, Billy Walls, the football ace, was injected into the lineup and New Castle lost none of its smoothness of attack. Billy played brilliant ball, despite an ailing knee, and teamed with Koszela to shoot the home fire ahead 18 to 9 at the half.

Things got no better for the Oilers as the third period progressed. Eakin, Walls and Koszela continued to warm their way under the hoops and the visitors trailed 37 to 18 entering the final frame.

Reserves Finish Game
At this juncture, Coach Biedenbach practically cleared his bench of subs, and placed by the clock shooting of Don Black, the local racker up seven more points while Coach Lathers' visitors trailed in six. The scoreboard blazed 44-18 and that was the ball game.

New Castle improved a dozen boys in the contest and the Oilers sent almost two complete teams into the first in an attempt to halt the Red and Black.

In the preliminary, the New Castle reserves faced the East last 79-72 with Don Black dropping in 12 points.

Friday night the Biedenbachmen will play host to Peabody High, a city league five from Peabody, at the George Washington gym. This will be the second of six pre-league games before the local racker bids their Section 3 campaign.

Slate Waterfield As Most Valuable

Cleveland Rams Star Backfield Man Logical Choice For Pro League Honors

By FRANK E. SNYDER
(International News Service Staff Writer) CLEVELAND, Dec. 5.—Bob Waterfield, who wasn't good enough last year with U. C. L. A. to be selected on any All-American team, seems today to be the logical choice as the most valuable player in the National Football League.

Coming out of Cleveland, the mere suggestion may appear to be a campaign speech for the Rams quarterback, but this is neither the intention nor the case. Waterfield would be the Rams' without Waterfield, and where in the league is a better footballer than Waterfield?

Waterfield Standard
Setting record to await the annual championship game, Waterfield, either December 16 or 22 in Cleveland, the Rams certainly are expected to know a little more about Bob Waterfield and what has made him a standard in his first year of pro football.

He completed 84 out of 171 attempts for a total of 1,699 yards. He threw 34 touchdowns passes. His percentage of completions is just about 510. One of his special, as Jim Benton is a game with Green. He was good for 24 yards, the best of the year. Unlike Sid Luckman, Bob's passes have all been the variety and not short ones over camp.

He leads the league with six pass interceptions and has a punting average of about 45 yards, third best in the league. Despite the fact he never had a broken before coming to the Rams, Bob made 31 out of 34 attempts for points after touchdowns.

De H. C. Red, Carlton, Pitt coach, began his 34th year with the Rams last Saturday, when he took 1945 quarter money into the season with Ohio State, providing the opposition.

Hammerschmidt Big Gun As East Brook Cagers Are Beaten At Plaingrove

(Special to The News) Plaingrove High School's cage quintet turned back an East Brook invasion last night at the Plaingrove gym 27 to 15.

Coach Stuehaker discovered an ace in Hammerschmidt, on forward, who whipped 12 points through the hoops to pace the winners. Stevenson and Gardner netted six points each to divide the honors behind Hammerschmidt.

The Plaingrove five kept ahead in every quarter but the third and had their biggest period in the second when they outscored the Emrick-coached team 10 to 6.

Friday night the Plaingrove honorees journey to East Claire to do battle.

Poison Gas Peril Is Ever Present

Precautions To Be Used
Against Carbon Monoxide
Gas Listed By Coroner
Nugent

RESCUE SQUAD REVIVES SEVERAL

A deadly killer is ever present in Laurence county, stalking his prey in the kitchen, bedroom, bathroom, garage, and even in your own auto. He can turn your home, which you feel is a safe place, into an execution chamber, or your automobile into a coffin in minutes. He is Mr. Carbon Monoxide Gas. Fire Chief James E. Thomas states: "While almost everyone knows the dangers of carbon monoxide poisoning, few realize how quickly and deadly it can strike, and therein lies the danger. Chief Thomas points out:

From Breathing Fumes. It comes chiefly from breathing the fumes from common ordinary gas stoves, or heaters, and from the exhaust of your automobile engine. Several persons have been overcome by the deadly fumes already this year, and have been revived by the fire department rescue squad. It generally causes several deaths a year here, Coroner T. F. Nugent states.

Precautions can be taken so that you will not be a victim. Fire Chief Thomas states: "One is to make sure that each fuel burning unit in your home has a proper flue. Second, make sure that the flue does not become clogged. Third, before retiring, check every fuel burning unit to make sure that it is out. Fourth, don't allow a group to gather in a room heated by gas unless there is sufficient ventilation. Fifth, wherever possible, use sleeping rooms without fuel-burning units.

If you own an auto, have a mechanic check the exhaust system. Always leave at least one window of your car slightly open. Be sure your garage doors are open when you start the engine of your car. Lastly, warn all the members of your family about the danger.

Confesses Passing Bad Checks Here

Federal Bureau of Investigation today informed Police Chief Robert D. Hanna that Corinrh, Miss., authorities had under arrest one Felton Emmett Johnson who had confessed passing three fraudulent checks here between April and October. The chief said no report of this had been made by the victims. The FBI stated Johnson used more than a dozen aliases to carry on his nefarious practice throughout the country. "People should not cash checks for strangers. This warning has been given time and again. However, some 'trusting' souls take a chance and suffer financially for it," said the chief today who said that it is easier to catch a check for a stranger than to regain good money obtained through a bad check.

Ralph Sankey Still Missing

Despite an intensive search for Ralph Sankey, ever since his strange disappearance October 28, from his home at 457 E. Washington street, the 70-year-old man has not been located. Members of the family are still trying to unravel the mystery and are exerting every effort to find his whereabouts. Mr. Sankey stepped from the doorway of the home of his daughter, Mrs. Leora Kents, of East Washington street, Sunday morning, October 28, remarking that he was going for a walk. No word has been heard from him since.

Lt. Margery Cheers Is Given Promotion

Lt. Margery E. Cheers, daughter of Mr. and Mrs. Carl Cheers, of Emerson avenue, has been promoted from second to first lieutenant in the Army Nurses Corp. Lt. Cheers entered the service on March 1, 1945, and took her basic training at Camp Lee, Va., from whence she was sent to Indiantown Gap, and then to Fort Patrick Henry, Va. In May, 1945, she was enroute to Europe, when the ship on which she was sailing struck a mine and all passengers were forced to abandon ship. All Army Nurses Corps personnel was returned to Indiantown Gap, and then transferred to Camp Beale, Calif. On July 5, Lt. Cheers embarked from Camp Anza and has since been serving as an anesthetist at the 219th General Hospital, Oahu, Hawaiian Islands. She was an operating room nurse at the Jameson Memorial Hospital prior to her entrance into the service.

Veteran Conductor Makes Last Run

GROVE CITY, Dec. 5.—Elmer Seaton, veteran conductor of forty-eight years' service with the Bessemer and Lake Erie Railroad, has made his last run and will "take it easy" at his home here. He was the conductor on trains 12 and 13, Greenville to Erie, for the past nine years and in the passenger service for many years. Almost a half-century of railroad-ing provided many thrills, Mr. Seaton admitted, but none greater than the "Great Snow" of last winter, when, for many weeks, he had orders to stop on signal to aid marooned travelers along the route. On his final run, Conductor Seaton was the recipient of many gifts from his regular patrons. In point of service, he was the third oldest conductor on the road.

Gambling Probe In Beaver County

BEAVER, Pa., Dec. 5.—(INS.)—The Beaver County Grand jury today was instructed by President Judge Henry H. Wilson to investigate gambling in Beaver county. Judge Wilson told a Grand jury that assorted vices and gambling have entrenched themselves in Pennsylvania and should be investigated somewhere in the state, and Beaver county would be a good place to start.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers. Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation. In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly. What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Something to clean it out effectively—help Nature get back on her feet. Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it. You get genuine relief that makes you feel really good again. Get Carter's Pills at any drug store—25¢. "Unblock" your intestinal tract for real relief from indigestion.
